**the bouquets**

The bridal party carried bouquets filled with exotic pincushion protea, orange Vanda orchids, rose hips, roses, mini mango calla lilies, and berries.

**the ceremony**

Courtenay and David wed outdoors in an Episcopal ceremony beneath "Carolina blue skies." The couple stood by two rust-colored columns bedecked with textural arrangements of orange blooms.

**the cake**

The wedding cake was covered in buttercream icing and soft ivory fondant rose petals. Fresh flowers were used as a cake topper. >>
